

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I am writing to encourage the merger of EchoStar and DirectTV. As of now there is not a good challenge to the cable industry in our area. We are served by one cable company and whatever they say goes. I beleive that we should have a choice and as of now we don't. I think the competition would make both systems better and possibly lower the cost. Write your own letter here.

Sincerely,

Donald Gray
